Guarantee

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name and free from disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise; we do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume responsibility after goods are shipped, unless for our own mistakes.

No claims for errors or shortages will be allowed unless made immediately upon receipt of goods.

We will not fill long lists for one or two of a kind at less than single rates; we will supply twenty-five of a kind at hundred rates, 250 of a kind at thousand rates. Samples will be charged at ten rates.

TO OUR CUSTOMERS: On all orders placed with us, stock is sold at the nurseries without freight allowance. The plants become your property upon delivery of them to the Transportation Co., and we cannot be responsible for loss, damage or delay in transit. Your recourse is with the Transportation Co. and not with us. If plants are delayed in transit, before receipting for them, require the Station Agent to note same on the freight or express receipt, then make your claim on the Transportation Co. Evergreens

 All stock selected and marked by customer at the nursery will be charged 50% additional to its listed value; prices in this catalogue will not govern this stock.

If trees are wanted for screening purposes, we have those that are not quite perfect which we can supply at reduced prices.

 If you do not want your stock burlapped, state so when ordering.

We ball and burlap all Evergreens, when we think it an advantage, at an additional charge of 10c. for 18 to 24 in., 15c. for 2 to 4 ft., 20c. for 4 to 5 ft., 25c. for 5 to 6 ft., and larger sizes in proportion. We charge for everything we burlap.
